Understanding Communication Skills - From MindTools.com

Under-communication is a consistent problem in nearly every business. You can solve that by taking ownership of the communication happening around you. I've worked with more than my share of poor communicators over the years. One was a boss who rarely shared information and never in a timely way. My office happened to be in a different building than his, so getting to our weekly one-on-one ...

Good Leadership Is About Communicating "Why"

Communication is the root of any relationship. The obvious advantage of clear communications is that people will easily understand your message. Your customers want to know how you can help them, but they don't want to have to spend hours figuring out what you're trying to tell them.

Why Clear Communication is Important - Preston Kanak

A double lesson about how to respond to a media brief and communicate a clear message for a client. Students generate ideas from a brief and evaluate a model. Students then analyse magazine front covers for different purposes and consider how the features differ in order to communicate a particular message.
