### How Animals Build by Lonely Planet Kids - 9781786576620

The Big Earth Book © Lonely Planet We've already mentioned the How Cities Work book but its sisters How Animals Build and How Trains Work also deserve a mention here. Small and big people with a love of trains universally sing the praises of the latter, and the former explores animal homes up high, underground, on land and in the sea and the genius involved in building them.
