Rise of Islam. Summary. The valley of the Yarmouk. At first sight, the study of the origin and spread of Islam is comparatively easy. After all, the military campaigns are quite well-documented in Arabic, Armenian, Byzantine, Latin, Persian, and Syriac sources. Besides, the story itself is plausible: after a crisis that followed the death of the prophet Muhammad (632 CE), caliph Abu Bakr (r.632-634) restored order, and his successors Umar (r.634-644), Uthman (r.644-656), and Muhammad's son-in ...

The Rise of Islam - Livius

The history of the spread of Islam spans about 1,400 years. Muslim conquests following Muhammad's death led to the creation of the caliphates, occupying a vast geographical area; conversion to Islam was boosted by missionary activities, particularly those of imams, who intermingled with local populations to propagate the religious teachings. These early caliphates, coupled with Muslim economics and trading, the Islamic Golden Age, and the Age of the Islamic Gunpowders, resulted in Islam's spread

The Rise of Islam. Mohammed reacted with anger when Jews refused to recognize him as the last of the prophets. In the previous chapter, we discussed at length the Jewish impact on intellectual Rome prior to the advent of Christianity. Similarly, Jews living on the Arabian Peninsula impacted positively on their Arab neighbors.
