When Supertraders Meet Kryptonite

When Supertraders Meet Kryptonite recounts it all--the ups, the downs--the rebounds. Learning from the losses of others is, perhaps, the most instructive learning experience. Until this book, there was no work dealing exclusively with losses and how to cope with them. Thirty-five brave, forthright and articulate traders address this subject headon.

When Supertraders Meet Kryptonite by Art Collins ...

The best way I can describe When Supertraders Meet Kryptonite is that it's a ripoff of Market Wizards. If you're reading this review, either you really like me or you've read a substantial number of books about trading and are desperately searching for a new thrill. This will not be your new thrill.
