Winning Through

Participation is a great foundational resource for facilitation, both for the movement and for facilitators. It is particularly useful for its presentation of basic methods of facilitation, clear forms, and explanatory material. It is a great beginning toolkit for organizing and promoting facilitation.

is largely determined by how thoroughly and thoughtfully it is planned. Successful meetings and events are determined by the degree to which an agency effectively commits to and prepares for the entire process, especially creating and providing the information needed by stakeholders and building effective relationships with key stakeholders.

authorizes members of public bodies to conduct meetings by videoconference. A meeting cannot validly be held by telephone or through the use of email. Since the law applies to "official" meetings, chance meetings or social gatherings are not covered by the law. Also, the law is silent with respect to public participation.
